It has been many years since I've seen or converse with Louries but I do remember her as being one of best dressed students at FHHS. I always admired her outfits. I remember in 9th grade we competed for the same part in a school play and she got the part because I did not learn my lines. Louries became my competitor from that point on.....she kept me on my toes because I did not want her to outdo me, again. May you rest in the arms of our Lord and Saviour. I hope to see again! My condolences to the family.

My condolences to the family. May God embrace and strengthen each of you during this difficult time. It has been school years since seeing Louries but I always will remember her as being quite, and soft spoken.
