“ *To the Cuffy Burney Family I am sending you my sincerest condolences and most of all my prayers, love and encouragement. This is a transition that is so hard to take and try to receive but it is going to be a time for us to remember how much she meant to each of us and how loving she was to anyone she encountered in this life. I can never forget our times as youth in the Carolinas as we were always chatty and go to the fun places like Crystal Beach to play in the water as teenagers it was a great cousin time together. But I pray that the Lord Jesus keep us all and keep us in his loving care. To Lucille's precious children it will be alright as you take each day one day at a time. I love you all always. “ To the family. Lucille and I worked together many years ago in the federal government. She also was one of my vanpool partners from Dale City to Bolling AFB. She was a sweet gentle soul. I send my condolences to you all.
