“ *May I send condolence to you all. Ms. Lucille was almost 84 when dead broke the circle of life . Living for a long time and enjoying life to the full with a close relationship with our heavenly father Jehovah made life worth living. Imagine the joy and happiness to be had when the dead resurrected in the near future. I hope these few thoughts have been uplifting to read.##imported-begin##Lillian Crosby##imported-end##*

“ Many condolences and comfort to the family of Mrs Gray at this difficult time. It's so comforting when we lose a loved one that there is the wonderful promise of a ressurection for those who have died. Even though Adam passed this legacy of sickness and death to us, thankfully God has made the way out for us through the ransom paid by his Son, Christ Jesus. That is why 1st Corinthians 15:22 reminds us, "For just as in Adam all are dying, so also in the Christ all will be made alive." One day our loved ones will rise from the dead to peaceful, secure conditions; never having to experience death ever again. Because Jehovah promises that he will wipe out every tear from their eyes, and death will be no more." Rev 21,4. May these comforting thoughts strengthen you in the days ahead, and help you to cope with your loss.##imported-begin##R Johnson##imported-end##
