“ Thanks for sharing Lucius with us. We will remember his sense of humor. My grandkids loved to laugh with him. He was indeed a kind person with a heart made of gold. May your memories and love of times you'll spent together ease the pain of your loss.

“ My prayers are with the family in the loss of a childhood friend. The days we shared in Northside of Richmond will always be cherished. The times spent in Battery Park will be remembered for the football and baseball games that were played with fearless and friendly competition. He was a true friend. May God continue to a comfort to the family for His care will carry you through.

“ Mr. Holmes, I will miss you dearly. We use to always talk about who was the boss, He would say " you are mighty bossy, but you are not my boss" and I would say" as long as I am here and taking care of you I am the boss". He would shake his head and say I will go for that one because you sure do know how to shave me. I appreciate the pleasure of spending time with you and listening to you tell me about the Redskins and your times at the Fire Department. No more pain Mr.Holmes.Rest In Peace

The Richmond Community Theater will never forget , when you took all thirty of us to celebrate and perform at the University Of Southern Florida
Several years ago. For their festivities for Black History month. We had the best time ever.
