“ *Some of you may not know me, buy Bobby Woody is my dad and I am his oldest son. Lucy Thomas Wyatt was my great grandmother. I barely got to talk to her because I just recently met her within the last 5-6 years. Everytime I saw her, she was lying down in the bed at the nursing home. She may not have been capable to do much, but I saw her as a nice woman with years of wisdom beyond my own. I was sad when I went to the funeral today. I was even sadder for my grandmother, Virginia Dunlap, and my great-aunt, Diane. They had to now live for the rest of their lives without their mother. I would hate to lose my mother or father.##imported-begin##Bobby J. Woody##imported-end##*

“ I would like to send my fellow feeling to you all.Ms. Lucy was a loved person, mother , grandmother,aunt,sister, and most of all a very dear person to all. It is wonderful to have some one close to you and always there willing to listen and laugh with. The bible say that some person would live to be 70 and 80 because of speical mightiness, Ms. Lucy past that, great indeed. We can look forward to the resurrection in the near future because our heavenly father is making all things NEW, Rev.21:3-5. I hope these few thoughts will be uplifting. May all the many many cherish and happy times spent with Ms. Lucy keep on supporting you all on the journey of life.###imported-begin###lillian Crosby###imported-end##
