“ My name is Jessi, and I am an officer who had the honor of working with Lynette. She was and will always be one of the most amazing human beings I have ever met. She had a light and warmth about her that brought so much to so many. I was blessed to be able to call her my friend and will be forever changed because of the relationship we shared. The last time i saw her, on the Oct. 19th, we decided to meet for lunch to celebrate our birthdays.. her being the 14th and me the 16th. I will cherish the laughs we shared and deep conversation we had because i had the opportunity to thank her being there for me during a really rough time i had been going through. And in true Lynette fashion, she told me no thanks were needed b/c we were friends and she loved me and will never forget that. My heart goes out to every member of the Campbell family, but i also thank you for sharing her with us. Lynette was a shining star that brightened the life of everyone that meet and will be missed dearly. My prayers are with you always!!

“ You were definately a diamond in the rough. At work when I would walk into roll call you always made eye contact and said, "Hi Porter!." I'll never forget your willingness to help out, you were a true team player. Its hard to find a young person with the respect and poise you carried yourself with nowadays. Continue to SHINE BRIGHT LIKE A DIAMOND!

Love Always,
Porter
