His Journey

Don't think of him as gone, his journey's just begun,

Life holds so many facets ,this earth is only one.

Just think of him as resting from the sorrow and the tears

in a place of warmth and comfort, where there are no days and years.

Think how he must be wishing that we could know

today how nothing but our sadness can really pass away.

And think of him as living in the hearts of those he touched,

For nothing loved is ever lost, and he was loved so much.
