“ So very sorry that your family has lost their dear one. Death is so painful. We should never have to experience it. We want our loved ones here with us forever. That natural desire will soon be fulfilled. Almighty God has a purpose to end all suffering and death, and restore our loved ones back to life. Please read about these wonderful promises in the bible at Acts 24:15, Rev 21:3,4, and John 5:28,29. “ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##

God has promised to do away with death and the pain that it causes. May these words be of comfort to the family.##imported-begin##Sean##imported-end##
