“ Please accept my condolences for the loss of your dear loved one. Acts 9:36-41 reports on the resurrection of a woman named Tabitha (Dorcas). Her resurrection is a preview of what will happen for many of our dead loved ones in God's due time. As Isaiah 25:8 reveals: "He (God) will swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces". May you receive much comfort and strength from friends, family and this wonderful hope found in the Bible.##imported-begin##Sharon Hill##imported-end##

“ I offer my heartfelt condolences to the family and friends of Mabel. HOW sad it is to lose a loved one in death. It is truly overwhelming and so hard to come to terms with. Our loving heavenly father knows the sorrow we experience when our loved ones die, and he is always there to offer you the comfort that you need and the strength to endure. Jehovah is the living God who created us all, and his desire is not for us to die, but that we might live forever. John 3:16 reminds us, "For God loved the world so much that he gave his only-begotten son so that everyone exercising faith in him might not be destroyed, but have everlasting life." Yes everlasting life is Jehovah's purpose for us, and Jesus gave his most precious life to make that possible, which was truly the greatest act of love that Jehovah and Jesus did in our behalf. ONE day, by means of a resurrection, your loved one as well as millions of others will come back to life. Yes as John 5:28,29 says, these dead ones will hear the voice of Jesus, and they will come out of the memorial tombs. May you find much comfort and hope in the promises of God, and may your cherished memories of Mabel help you to cope in the days ahead. I would like to share with you how God's wonderful purpose will be fulfilled, so I invite you to contact me at my e-mail address. Take care family.##imported-begin##R
