“ *I am sorry to learn about the death of Madeline. I'm sure that this must have been a difficult time for all of you. I'm forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says..That men are reserved to die once for all time. This, too, was true when it was written. But not the case before God passed judgement of sinful Adam.##imported-begin##JT Nunnally##imported-end##*

“ To the family of Madeline W. Murphy I just read about the recent death of your love one. I am deeply concerned about the sorrow and distress that you must be experiencing. I have some GOOD NEWS to share with your regarding loss. The Bible promises us that we will have the opportunity to see our dear love ones again. At John 5:28, 29 Jesus Christ assures us that “everyone in the memorial tombs will hear his voice and come out”. The promise of a resurrection is held out to all those falling asleep in death (Acts 24:15). Jehovah God has promised obedient mankind at Revelation 21:1-4 that very soon pain, sickness and yes even death will be no more, because according to 1John 4:8 “God is love”. I sincerely hope these words brought your family comfort##imported-begin##Louise Hibbler##imported-end##
