“ *Malik has been my friend since middle school. All throughout middle school and high school he kept a huge smile on his face. Senior year we had the best memories in Ms. Weese's class. We sat together everyday in that class and had a ball. Everyday was filled with laughter and smiles. I'm so heartbroken by this. God bless his family. ❤️*

“Malik was a great dude, always solid and kept it real all the time. I remember going into my freshman year for football, he was a huge motivating force in the weight room and always tried push us upcoming freshman to be on go for practice and conditioning. I recently saw him a month before his passing, with his brother Tyrone and cousin RJ who I happen to be longtime friends with and hearing that news about his passing made me very sad, but to know he is with who he loves most is all I can thank god for doing. Thanks for everything Malik ❤️🏀🙏🏾”

“Grateful for basketball, which allowed us to experience Malik’s beautiful smile. As a basketball family, we shared many outings, laughs, & trips together. You all are continuously in our thoughts & prayers, and we are praying that your memories will comfort you through this difficult time. Our hearts hurt for your family, and there are no words that can fill the void in your hearts. Just know that God has his hands on you.

“ *I am broken about this. I taught Malik in 9th grade and 12th grade. He was so kind hearted, funny, and had an amazing soul. Malik was a protector and wanted everyone to feel loved. I will miss his warm smile.*
