“ I met Malik in 2018 in undergrad at Morgan State. We met during a group project where we carried the group. Honestly, I didn't expect that coupling to produce a five year friendship that could rival the best of them. Malik had a way about him that made me feel like I had known him forever. The distinct tone of his voice that managed to be a panacea to life's issues. He had this wonderful way of speaking that displayed goofiness, seriousness, and love all at once. It is not everyday you meet someone who challenges the status quo and challenges you to reconfigure the box of your mind. Malik had shown such a genuine interest in me that set the bar for all future relationships. He was and is someone who I will always cherish. To my friend who showed love, but was always down to correct someone who was out of line. I will always love you.

“ I am sending my condolences to Malik's siblings, Mother and extended family. Malik is one of my younger cousins, son of my Uncle Earl Holmes. Malik's wise words and visions will be missed. Malik was a sensitive, intelligent, humble young man who loved his family very much. Your life was not lived in vain. Young King, you will be sorely missed. Love Toya
