

Malik T. Gregory

October 27, 2001 - December 15, 2002

Malik Tyrell Gregory, son of Steven D. Gregory and Mary E. Akins, was born on October 27, 2001. He departed his physical life suddenly, on December 15, 2002. Malik was only thirteen months, but he lived his short life to the fullest. People often stated that Malik appeared to have been here before because of maturity. Malik was very playful. Often you would see him smiling, clapping his hands and playing with his sisters and cousins. Most recently, Malik would take candy canes from the Christmas tree. When we would call out, "Malik! What are you doing?" he would turn, smile and attempt to run away with the candy cane. He also would be seen playing games and watching TV with mother and father; speaking his first words "...Mama and Dada". Malik's spirit will continue to live on. He received a spiritual blessing from Pastor Calvin Keene of the Memorial Baptist Church where he often attended services. He leaves to mourn his precious memory: a devoted mother, Mary E. Akins; dedicated father, Steven D. Gregory; four sisters, Shelitta, Jasmine, Shaniqua and Sierra; grandmother, Esaldora Melvin; two grandfathers, Curtis Hodge Sr. and Stephen Gregory Jr.; step-grandmother, Nannie Gregory; great-grandmother, Shirley Hodge; seven aunts, Jennifer (Khalid) Boakhaita, Maude (Lenny) Harp, Annette Akins, Maxine Williams, Tarsha Williams, Makia Williams and Tiffany Hodge; four uncles, Anthony Gregory, Howard Williams, Brian (Danielle) Williams and Curtis Hodge Jr.; godparents, Rita Akins, Vernon Jackson and Darius Lyons; and a host of other relatives and friends.

“ *Healing happens slowly over weeks and months and years and even then, there will be days when memories call fresh tears. A song, a scent, or photograph keeps your heart in touch; with all that you so treasured in the one you miss so much. Live with your good memories, as they will add to your comfort, which comes from knowing that your grief is shared and understood.##imported-begin##The March Family and Staff##imported-end##*
