“ I am so sorry that you lost your dear loved one in death. It is even more harder to bear when they die in the prime of life. He was so young, just like my son was when he died 12 Years ago. What comforts me and helps me to cope is the sure hope of the ressurection. Jesus brought many back to life by ressurecting them while he was here on the earth, giving us a preview of what he will soon do when he ressurects millions back from the dead. A heart-warming account of one such ressurection is found at Mark 5:38-43 when Jesus brought a 12-year old little girl back to life. Can you imagine how her parents felt to see their daughter alive once again? We can one day have that same joy if we exercise faith in the ransom Jesus paid with his precious life. John 3:16. May you be comforted and strengthened by this wonderful hope.##imported-begin##R Johnson##imported-end##
