“ As a fellow schoolmate from Baltimore City College I cannot imagine losing a great friend and fellow acting mate like Marcus. Rich in character and zeal Marcus indeed lit up a stage. I know that God has a higher purpose beyond any man's imagination. And I send my love, blessings and condolences to the family of Marcus Jordan. May his soul rest in peace!

“ *Smart, talented, funny and dedicated. That's the Marcus I got to know at City College. He performed in three plays by William Shalespeare playing the conniving Casca in Julius Caesar, the disappointed father King Henry IV, and the sarcastic Jacques in As You Like It. He held me to a higher standard- "if you're on time, you're late." He'd tell me "20 minutes early is on time." I will never forget him or his smile. My condolences to his family. This is truly a sad day.*
