“ *My condolence to the family. It times like these that we need comfort from the Bible. The Bible promises that our dear loved ones have the hope of the resurrection hear on earth in the near future we find this promise at (John 5:28, 29) Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice 29 and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment. The resurrection is possible because God sent his Son to give his life for us. So it is an expression of Jehovah's love and undeserved kindness.—Read John 3:16; Romans 6:23.*

“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 4yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!
