“ *I'm so very sorry about Margaret's passing, and I'm so sorry to be late in finding out about it. I knew Margaret from the MD State Library for the Blind & Physically Handicapped where we worked. She was a hard worker and always a wonderful person to work with and know. We kept in touch through the years--even when I moved back to NC. I know how much everyone loved her and how missed she is. She was such a special and dear person, and I'm so glad to have known her. I also want to send a special message to little Margaret, because we would talk over the phone too. Sending blessings and prayers to family and friends.*
