“ *It is truly unfortunate that at times we experience the sorrow associated with the death of one we love. Our precious memories provide a measure of comfort but there is also a greater source of comfort found in God's Word the Bible. The hope of a resurrection found at Acts 24:15 and John 5:28,29 offer us the opportunity to enjoy life with our loved ones again. As you read these scriptures may you be comforted by this loving provision.##imported-begin##Gwen Winston##imported-end##*

“ *Death is a very sad reality that unfortunately continues to plague all of us. I am so sorry that your family had to experience the pain. What comforts my family at such times is the hope found in the scriptures. There we read at Isaiah 25:8 that one day soon Jehovah has promised to swallow up death forever, and to certainly wipe the tears from all faces. 1st Cor. 15:26 tells us; "As the last enemy, death will be brought to nothing." Surely that will bring us great joy, because truly death is our worst enemy. May you be comforted by these promises from God, because only he has the power and the love to end sickness and death forever.##imported-begin##R

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son Jesus Christ have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ I am very sorry that you have loss Margie to death. I am sure that this must have been a difficult time for your family. I am forwarding scripture that will comfort you. Psalm 90:10 say that the usual human life span is 70 or 80 years. That was true when Moses wrote it, but that was not so from the beginning. (compare Genesis 5:3-32.) Hebrew 9:27 says, It is reserved for men to die once for all time..This, too, was true when it was written. But it was not the case before God passed judgment on sinful Adam.##imported-begin##JT Nunnally##imported-end##
