“ May you find much comfort and strength from the scriptures as you mourn the death of your loved one. When a loved one dies, many people ask why. They wonder will I ever see my loved one again? The man Job in the bible asked the same question. At Job 14: 14 he asked, "If an able-bodied man dies can he live again? In verse 15 God revealed the answer to him. It says, "You will call, and I myself shall answer you. "For the work of your hands you will have a yearning." Job knew that he had the hope of a resurrection, and he knew that Jehovah yearns for his servants to live again. That is why he sent his beloved son Jesus to die as a ransom, so that we could come back to life eternal. At John 11:25 Jesus said, "I am the resurrection and the life. "He that exercises faith in me even though he dies will come to life. In harmony Acts 24:15 says that there will be a resurrection of both the righteous and the unrighteous. So please find comfort and hope in the promised resurrection, and until that day occurs; may your precious memories of Margie continue to help you to cope.##imported-begin##R Johnson##imported-end##
