“ *So sorry to hear of the passing of your loved one. The pain we go through when a loved one dies can be so overwhelming. Noone should have to go through such heartache. This was never God's purpose, and one day he will end all sickness and death from the human family. Isaiah 33:24, and Isaiah 25,8 tells us this wonderful promise that no resident will say,"I am sick, and also that Jehovah will swallow up death forever; and certainly wipe the tears from all faces. We also have the beautiful hope of the ressurection, which will restore the life back to our loved ones who have died. Jesus made this wonderful promise at John 5:28,29: "Donot marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." May the beautiful hope of the ressurection be a source of comfort to you, and may your precious memories of Marilyn help you to cope.##imported-begin##R Johnson##imported-end##*

“ They tell us that time is a great healer of all pain and sorry, I hope that the time that has passed is helping you. There are no words of sympathy that will erase the pain you feel from lossing your loved one, may it comfort you to know that others still care about your loss and pain, may the memories you share with each other be a strond aid in helping all of you, in time the memories will come without the pain and you will be able to focus not on your loss, but on the love, joys and blessings you shared by having Miss Marilyn in your lives. (Revelation 21:4& Isaiah 4i:10). My deepest sympathy is with all of you.##imported-begin##Josephine##imported-end##
