While I send my condolences...It's amazing that the man would raped Lisa for almost 11 years, Keith Pope who suppose to be her uncle is listed as some she loved and left to mourn...The Pope family are hypocrites and drove her to live a life of drugs from rapes endured. So don't use this forum to act like you people loved her. No you did not. Raping a 5 year old child is not love

Where were you when all this was taking place

No one spoke of this. I found out 2 years ago from Lisa. It was a big secret in the Pope family. Keith Pope is the father of her daughter. Shameful. He should be in JAIL

Keith her uncle should be ashamed. He raped her since the age of 7 to 15 and fathered her daughter. Shame to the POPE clan
