“ *Logan Family,
Send my condolences to you in this time of sorrow. May you find comfort in the scriptures to help you endure. May the memories you have bring you a sense of peace. The bible at Act 24:15 provides hope for mankind to be united with those they have lost in death. God promises to resurrect the righteous and the unrighteous. What a joy that would bring to be reunited with Ms. Logan again.*

“ *My Condolences to the Logan family. I have only known Mark for a few years but when we met he made me feel welcome and we shared many jokes. When I visited Mark home Monica was very sweet to me. This family is very loving and caring and I know that God will give them the strength to get through this trying time. May God Bless and keep you.*

“ *My Markiemark, As a teenager and being one of the older cousins, one of my jobs was baby sitting. One of those babies was my Markie Mark. He was the sweetest baby and grew up to be just as sweet as an adult. One down fall to living out of town is that I missed out on a lot of his lifetime events. Still, it doesnt change how proud I am of the the fine young man he turned out to be. He was a great husband, a great father, a great son and he is a great cousin. He is well loved by all who knew him. I love you Mark Anthony with all my heart. I an going to miss you but I will see you in paradise. ♡*

“ Monica, Malik and Milan after the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we've shared with our loved ones who have passed, this is what keeps them alive in our hearts and in our minds, and they will continue to live on, through us. May fond memories always provide you with comfort and peace.
