

Markell Carr Davis

October 26, 1962 - October 30, 2001

Markell Davis was born to the late Maria and Floyd Davis on October 26, 1962 in Baltimore City. He attended Baltimore Polytechnic High School, from which he graduated in June of 1980. He later attended the University of Maryland majoring in Engineering, prior to landing a position at the main post office. Markell spent nine years at the post office, where his final position was Acting Supervisor. Markell held several positions in the following years but had recently committed himself to returning to school to complete a series of Information Technology courses, which led to two certifications. Markell was baptized at the Fountain Baptist church at an early age. Later, he joyfully joined Empowerment Temple. Markell was active in the prayer group at his job daily. He was very knowledgeable of the Bible and truly loved God. He was a kind-hearted man with a special love for children. Mark was an outdoorsman who loved football, cooking, and music and was an avid Ravens fan. His intellect gave him a natural capacity for problem solving and difficult computations. He loved to hear the powerful delivery of the Word of God. Markell was a loving father who adored his children. He was a mentor and brother to his nephews and nieces. He often counseled and helped tutor youth in his family and community. He cherished and loved his special friend, Donna and helped rear Tori, her daughter. Markell was always there to lend a helping hand and be of assistance. Two sons, Miquel C. Davis and Martez C. Davis survive Markell. He also leaves to cherish his memory: two sisters, Marva Davis and Kathy Parker; two brothers, Reginald Davis and Floyd Paige; sister-

in-law, Kathy Davis; nephew, Tony, Devon, Derrick, Dominick, Brandon and Jermaine; nieces, Carla, Shawn, Chara, Laurice, Crystal and Kiara; five grand-nieces and nephews, three uncles and two aunts.

“ *My heartfelt sympathies are with the family at this time, especially his sons. I never got a chance to meet you in person but Markell was always speaking kind words of you and I felt like I met you through him. Markell and I were very close friends. We spoke recently. He was always loving and helpful. I want to thank his neice for leaving me a message at work so I could attend his final homegoing services. It was very hard for me, I'm still not believing he's not here, but I will cherish the times we spent together. I know that he's in a better place and I will miss him more than I can begin to explain. You will all be in my prayers & thoughts. Remember the good times you shared with Markell and remember his welcome smile always.##imported-begin##Cynthia J. Ockimey##imported-end##*
