“ *To the family, I offer my sincere sympathy. I did not know Marlon but I know the sorrow and grief that comes with losing a loved one to death. Please be assured that very soon this sorrow will no longer exist. God promises that "death will be no more" (Rev 21:3,4) and He provides the resurrection hope (Acts 24:15) for those who have fallen asleep in death. As we await the wonderful fulfillment of this promise, may you continue to find comfort, not only in your precious memories, but also from, "the Father of tender mercies and the God of all comfort who comforts us in all our tribulations."
