

## Marquel D'Andre Smith

July 12, 1974 - December 16, 2006

Marquel D'Andre Smith was born on July 12, 1974 to Marcia Watkins and John Smith. He departed this life on December 17, 2006. He attended school in Baltimore County and graduated from Eastern Vocational Technical School. He also attended Sojourner College of Baltimore. Mark accepted Christ at an early age. He was very family oriented and was at his happiest during family gatherings. Mark and his mom were very close and they shared an unbreakable bond that could be seen by everyone. Even after Mark was grown he was never too grown to give his mom a kiss, a hug, or lay his head upon her. He always ended a visit or a call with "I love you". Mark and his dad were not only father and son but best buddies who shared many special times together. Mark and his son Nijiere shared a special father and son bond. There were no boundaries when it was "Marty (daddy)" and "Buddy (Nijiere)"time. Mark or Marty as some called him, touched so many lives and formed so many genuine friendships that it would be impossible to mention them all individually. But, you know who you are. He is survived by his mother, Marcia Gethers; father, John B. Smith; grandmother, Jean Brown; stepfather, Rickey Gethers; two aunts, Michele Edwards and Karen Bradford; four uncles; four "brother" cousins, Anthony (App), Karl, Marvin (Funny) and Maurice; two "sister" cousins, Shanika and Niesha (NiNi); stepbrother, Reshun Gethers; stepmother, Sheila Bailey; stepsister Alisha and many, many special cousins and a host of other relatives and friends.

“ *Words will never express how much I love you and how much I miss you. We had a love that no one could break and I know that you are in a safer place watching over us. I will see you again one day and from that day on, it will be you and I together again for the rest of our after-life.##imported-begin##Juanai Burrell##imported-end##*

“ Hello Smith's ! I would like to express my condolences to you all. Losing a dear loved one such as Marquel broke the family circle. Death is our enemy and will very soon be done away with as the bible say at 1 Cor.15:26. I have lost loved one in death and know the feeling and pain. Marquel had a very close bond with his parents and family. The time is coming when we will not be affected by death and tears and sorrow as the bible say at Rev.21:3-5, WHY, because "ALL THINGS WILL BE MADE NEW". I am looking forward to the time and I know you all are too. May all the happy and cherished memories with Marquel keep the many promises of our heavenly father alive in your hearts. My fellow feeling, lillian Crosby.##imported-begin##Lillian Crosby##imported-end##

“ To the family and friends: Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##
