“ Quetta you will be deeply missed by so many. I remember we would be sitting down the N.O. sitting on the front tripping and talking. You always had a smile on your face and laughter in your heart. And I could always count on your for them bus tickets. An angel gained her wings and continue to look down on your family and friends. R.I.P. Quetta

“ Even though our loved ones are no longer with us, the many ways that they touched our hearts and changed our lives will always be a constant reminder of the beautiful life that they lived. I am so sorry to hear about the passing of your most precious loved one Marquette. I pray that you will find the peace of God during this time and that he will provide you with the needed comfort and love. How good to know that our heavenly father cares deeply for us and that he never will forget those who have died. John5:28-29 He has promised us that they will live again by means of the resurrection. John5:28-29 What a wonderful time that will be!

Joy - February 23, 2016 at 01:29 PM
