

Marquis D. Ellis

November 15, 1999 - May 22, 2007

MarQuis D. Ellis, son of Oneika Ellis, was born on November 15, 1999 in Baltimore, Maryland. He departed this life suddenly on May 22, 2007. MarQuis attended Highlandtown Elementary School where he enjoyed spending time with his second grade teacher and classmates. He was a loving and playful child. Often he would be seen just playing tag ball and riding his bike with his brother and cousins. MarQuis loved McDonald's fast food. His mom always had a hard time trying to get his hair braided (he hated that comb). We will always remember the funny facial expressions of joy and laughter he expressed. He will surely be missed. He leaves to mourn: his mother, Oneika Ellis; brother, Gregory Allen; grandfather, David Ellis, and a host of aunts and uncles, cousins and other family and friends.

“ *To the family and friends, I offer my sincere sympathy. The loss of one we love causes much sorrow and grief for us all. But there is a remedy to this condition of death. It is the resurrection promised by "the Father of tender mercies and the God of all comfort who will comfort us in all our tribulation" 2 Corinthians 1:3,4. Job 14:15,15 lets us know that God has a "yearning" an earnest longing and desire to resurrect the dead. May you find comfort from these promises in God's word the Bible as we await the fulfillment of this wonderful provision.##imported-begin##Gwen Winston##imported-end##*

“ Dear family, I am so sorry that you lost your precious little one in death. He was a cute little boy, and my heart goes out to you all. In the book of Mark it tells us how Jesus brought a little girl back to life. At Mark 5:38-43 you can read this account for comfort. Jesus paid the ransom price for us, so that we could all have a chance for everlasting life. John 3:16. One day if we are obedient to Jehovah God, we will see our loved ones come back to life again in paradise conditions. Your dear little boy will open his eyes once again. May the promises of the resurrection comfort you, and help you to cope in the days ahead.##imported-begin##R Johnson##imported-end##

“ *God has kept you here for a reason. You've survived because He has a plan for you. All your bad relationships, the consequences, the hard times, the sad times, the death of your loved ones, the back stabbing from your friends, the negative thoughts, or the lack of support. You made it because you are blessed! Just release and let go of all past hurts, misunderstandings and grudges. Recognize them as the illusions they are, and sent from the enemy to kill your spirit, steal your joy, and destroy your faith. For God is all there is. All else is a lie! My prayers are with you.##imported-begin##The Friend Family##imported-end##*

“ My deepest condolences for the loss of your son. 1 Corinthians 15:26 tells us that our "enemy death is to be destroyed." There is much hope of our dead returning to life with no more death, sickness,pain or sorrow.(Revelation 21:3-5) We have the written record of Elijah and Elisha raising boys back from the dead.(1 Kings 17:17-24; 2 Kings 4:32-37) These are written examples to show what will take place soon. The Bible teaches that it will happen when God restores the earth to a paradise.On paradise earth there will be no more death, sickness, sorrow or pain. (Isaiah 65:17, 2 Peter 3:13, Isaiah 33:24) May you receive much comfort and strength from friends, family and these loving Bible promises. And may you draw close to the maker of them Jehovah God and his Son Jesus Christ. (John 17:3)##imported-begin##Sharon Hill##imported-end##

“ To the family of Marquis, please find comfort in GOD, Marquis was one of his most precious angels on loan to you from Heaven above. He severed his purpose on earth and it was time for him to return and take his place at the table. Know that the Bible states; to be absent from the body is to be present with the LORD! May GOD countinue to Bless and Strengthen yall.##imported-begin##Dona Wiggins##imported-end##

“ Neika this is not the end. This is just the beginning. Everyone who knew him knew he was a sweet child. I wish you the best and I hope you heal well. Keep your head up and remember he is in a better place and know he is now your little angel. I can't say I feel your pain, but I understand your pain. My prayers go out to you and the family. Stay strong because I know that is what your little angel would want you to do. "Don't give up". Remember this is not the end baby. May GOD bless you and the other families that went through this traumatizing experience. Get Well Soon.##imported-begin##Toya##imported-end##
