“ *My deepest, sincerest condolences to the family of Marquis Richardson. I am so sorry to learn of the passing of your dear loved one. Death is such a difficult concept to accept for mankind, simply because God did not purpose this for us. For that reason, we will never be able to accept it. God actually hates death and calls it an enemy. Very soon He will stop it once and for all. (1 Corinthians 15:26; Isaiah 28:5) Mankind will live in peace, happiness, and perfect health (Psalms 37:9-11, Revelations 21: 3, 4 and Isaiah 28.5) May you draw much comfort In the Creator's wonderful promises, and know that soon we will welcome our loved ones back, wrapping our arms around them once again. There are many more encouraging and comforting Scriptures that can be found at www.jw.org. It is my hope that knowing this will help to take away some of your deep sorrow.*
