“ *I met Marsha'Lee, or Marsha as she had me call her, at Sibley Hospital in late March 2017 after I had my second knee replacement. Marsha was incredibly kind and patient and caring! She was very proactive in seeing that her patients were comfortable and well cared for. She encouraged me to not be shy but to call when need be.*

*She talked about her mother coming soon and was going to get in touch with me by email. I wondered why she had not, so tried online searching and found this notice.*

*I am so sad that she has passed. I know she was a true "Shining Star" to all of her patients and to all who had the pleasure of meeting her.*

*Sincere condolences to her family and friends and community.*
