“ *My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##*

“ I am sorry to hear of the passing of your loved one. The Bible offers many promises that we can put our faith and trust in. One such promise is found at 1 Corinthians 15:26 where we are told that the last enemy, death is to be brought to nothing. What a joyful time that will be when we do not have to worry about having funerals.##imported-begin##Sophia Briscoe##imported-end##

“ I would first like to thank the LORD for allowing my brother to be with us for the length of time he has given him. I have said many times and will always say that nobody has a brother like MY BROTHER. My family hearts are heavy right now and time heals all, but we know GOD makes no mistakes. He was a meek and humble individual and would do anything for anybody. As for his wife Cynthia, thanks for loving my brother and taking care of him. I thank everyone for whatever you have done and for your expressions of sympathy for my family. Although no words of sympathy can ease the loss I bear, I found comfort in the thought that so many cared. God bless and peace be with you all.##imported-begin##Darlene Felder##imported-end##

“ In our hearts Marshall will truly be missed. His great sense of humor, the big hugs, most of all (his smile). His kindness will forever be with us. If today was my last day on earth. If we don't see you everyday. In our heart we love you forever.

“ My condolences to the family. I know you are greatly sadden by the loss of your loved one. However, the Bible gives us comfort. 2 Corinthians 1:3,4 helps to give such comfort it says "the God of all comfort will comfort us in all our tribulation." May you continue to find comfort from the Bible.##imported-begin##KC Adams##imported-end##
