

Martha Lee Alexander

August 20, 1926 - June 2, 2017

Martha Lee Alexander (née Garrett) was born on August 20, 1926 in Rocky Mount, North Carolina. She was the loving daughter of the late Robert and Hettie Garrett and twin sister of, Mary Dorothy Foreman who preceded her in death. Martha departed this life at Augsburg Lutheran Village on Friday, June 2, 2017 under the care of an attentive and compassionate staff.

Martha received her education in Edgecomb County, North Carolina and years later the family relocated to Baltimore, Maryland. It was in 1957 that Martha married Horace James Alexander on November 23rd. Their union produced four daughters who were her pride and joy. Martha cherished her daughters and made many sacrifices for them. She also enjoyed preparing home cooked meals every evening, shampooing and pressing hair on the weekends, encouraging them to behave like ladies, and working to provide for them was her priority. She enjoyed spending time at their homes for family gatherings or just a weekend visit and would often bake her frequently requested banana pudding and lemon meringue pie for her grandchildren.

Martha accepted Christ into her life and often attended the St. James Free Baptist Church in her neighborhood until her health failed.

Martha was also preceded in death by siblings, Sarah, Charles (Buddy), James, Willie (Bill) and Jesse (Jake) and her beloved granddaughter, Sheighla Marie Mayfield.

She leaves to cherish and celebrate her memory, daughters: Tona, Twana, Noreasa and Trellis; one son, Linwood Garrett; one sister, Lula Garrett; two brothers, Leander Garrett and Joseph Garrett; two sons-in-law, Richard Coleman (Tona) and Clayton Anderson (Twana); five grandchildren: Jerome Jeter (Karen), Neshera Anderson, Jamie Jeter, Natasha Anderson, and Darren Glover; one great-grandchild, Caelyn James; three sisters-in-law, Addine Grace, Barbara (Bobby) Jackson and Sheryl Alexander; one brother-in-law, Edward Alexander; and a host of nieces, nephews, cousins and other relatives and friends.
