“ *My husband and I would like to express our deepest sympathy for your loss. The Holy Bible helps us to appreciate how Jesus feels for us when a loved one dies. John 11:35 tells us that Jesus gave way to tears upon learning of the death of his friend Lazarus. This gives us assurance that Jesus cares for us during this time of our grief. Jesus also comforts us with the hope of a resurrection. (see John 5:28,29) It is my hope that these words bring you comfort in the days ahead.##imported-begin##Mildred##imported-end##*

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ Please accept my condolences for your loss. Mr. Apppiah-Kubi appears to have led a full and accomplished life. I am certain that he is missed by family, friends and all who knew him. Death takes these precious ones from us. The Bible tells us that death is the enemy, but we never get used to. However, the Bible gives us hope for a resurrection at John 5:28-29 where Jesus promises that, "the hour is coming in which all those in the memorial tombs will hear his voice and come out". This scripture has brought comfort to many. I hope that this will comfort you as well.##imported-begin##Senita Swann##imported-end##
