“ Dad I just wanted to say thank you and I love you, I am so proud and pleased to have had you for a Father, I will always appreciate the conversations and truthful talks that we had....I will miss you greatly, I know that you were in tremendous pain during the latter stages of your time here with us...I know that you were doing what a Father does and protect us by not truly revealing the extent of your illness, I want to take this moment to say again, thank you and I will always love and respect you. I could not have been blessed with a better choice to be my Dad...I will see you again Dad! RIP 4ever! Your oldest son!

“ I am so sorry for your loss. May "the God of all comfort" (2 Corinthians 1:3,4) comfort and soothe your heart. His promises, found in the Holy Scriptures, can offer much hope. It assures us at John 5:28,29 that our loved ones will be remembered and brought back to life in the resurrection. Please allow God's Word to strengthen you and help you to endure this most difficult time.
