“ *My sincere condolences on the death of your loved one. Death affects us all in a very painful way. At such times the bible can be a great source of comfort for us. May it comfort you to know that the bible likens death to someone sleeping. Therefore, because they are sleeping; one day they will wake up again. An example is what happened in the case of Lazarus. At John 11:11- Jesus said, "Lazarus our friend has gone to rest, but I am journeying there to awaken him from sleep. "Therefore the disciples said to him: Lord, if he has gone to rest, he will get well." "Jesus had spoken, however, about his death." In verse 38-44 Jesus resurrected Lazarus from the sleep of death, even though he had been dead for 4 days. This shows us how compassionate Jesus is, and how much he hates to see someone die. So one day soon, John 5:28,29 lets us know that all those in the memorial tombs will hear his voice and come out." May those thoughts from God's word give you hope, and strength during this time of grief.##imported-begin##R Johnson##imported-end##*
