“ *I was shocked to hear that you passed away. I can still hear your voice when we would laugh and talk on the phone or on the porch. I never got a chance to know my grandparents, they passed away before i was born. I guess you could say i adopted you as my Grandmother. I enjoyed the time you spent with me. You are the best. I am definitely going to miss you, especially around the holidays (your Potato Salad & Crab Cakes). God Bless the brand new Angel. Love yah Grandmother.*

“ I really don't think the news of your passing has hit me yet. I remember when my fathers mother wasn't able to attend my high school graduation and step right in to be apart of my big day. I will forever appreciate that and I will miss sitting on the front porch talking to you.

“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 3yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!
