“ To the family of Mrs. Brown, I am so sorry to hear of your loss and I am offering my condolences. The scriptures can be of great comfort to us all. I am reminded of the scripture at Revelation 21:3,4 where Almighty God says that he is going to wipe the tears from our eyes and death will be no more neither will mourning nor crying nor pain be any more. May you be comforted by this scripture.##imported-begin##Sophia Briscoe##imported-end##

“ Granny. It's me Jeffrey. I still can't believe your gone. I know that God has a plan for all of our lives but I still can't understand why he had to take you from us. I know your with him now so I'm not going to question God's plan anymore.I still cry and it still feels like your here with me but I know your not. I bet your probably chilling with Grand-dad, and Aunt Sharon. I didn't realize that you touched so many people's lives. I personally will always remember our long talks, your words of encouragement and wisdom, the many meals our family shared, the harm hugs, and most of all the smile you always greeted me with when ever we saw each other. Granny I was truly blessed to have a Grand mother like you in my life. I love you, I miss you, and I'm waiting until that day when you greet me with your smile again.##imported-begin##Jeffrey Williams##imported-end##

“ No matter how long it has been the pain of death still bothers us. The reason for that is because it wasn't God's plan that we die. His purpose for mankind is to live forever in a peaceful paradise. Since that is God's purpose, one day that purpose will come to a reality. Titus 1:2, "upon the basis of a hope of everlasting life which God, who cannot lie, promised before times long lasting," Along with living forever, God has promised that all those in his memory will come back to life. (John 5:28,29) I hope these words will be of comfort to you today.##imported-begin##Julia Brown##imported-end##

“ Hey grandma, I never thought I would be doing anything like this, I thought you be here with me until well into you hundreds. We take things like that for granted I sorry I did and I sorry for all the things I did when I was growing up, if I knew then what I know now I would have been a better child. I know you are in heaven, the promise land with Leroy, and with our lord but I need you here your job wasnt done yet. I wish you were still here I dont know anything else, I have know one else to turn to. I guess what I trying to say is I miss you and will always miss you I know mommy was always there for me too, but you're all I know. Its just not the same going over the house and not seeing you in the dinning room looking around that corner to see who it is. No one can keep the family together the way you did, but we will try because I know thats what you would want. I LOVE YOU AND WILL ALWAYS LOVE YOU THANK YOU FOR EVERYTHING YOU'VE DONE FOR ME AND MY FAMILY. I KNOW I WOULDNT HAVE TURNED OUT THE WAY I DID IF IT WASNT FOR YOU. I MISS YOU AND LOVE YOU AND WISH YOU WERE HERE. UNTIL WE MEET AGAIN IN THE PROMISE LAND!!!##imported-begin##Curtis (junnie) Shaw##imported-end##

“ Mommy, I miss you so much. I never thought that God would take you from us so quickly. I never thought our last talk and meal would be our last, 12/30. Thank you for loving me unconditionally and believing in me and raising me in a christian home filled with the love of a mother and a father. I am glad to know that you were proud of me and what I have become. The kids are really going though especially Ashley (Pumpkin) and BryAnna (Munchkin). Kyle still calls out for ma-ma when he sees your picture. Thanks for excepting my husband, Kenny as your son and surrounding him with your love and wisdom, he is forever grateful. Say Hi to Daddy and Sharon for me until I get there. I love you but GOD loved you best, your Loving Baby Daughter, Lisa###imported-begin###Lisa LaRay Stanton###imported-end###
