“ *The richness of the human experience is in what is handed down from one life to the next –not simple things of mortar and stone, but memories of what one said or felt or did. Live with your good memories, as they will add to your comfort, which comes from knowing that your grief is shared and understood.##imported-begin##The March Family and Staff##imported-end##*

“ **MATRIARCHAL** Mary Elizabeth Dunston took this world by storm and impacted so many lives that she has placed herself in a Divine Showroom of Matriarchal Women that ever GRACED this EARTH. She is, the STANDARD of MOTHERLY LOVE. By definition she would be called Caring and Kind. She would be labeled as Tender and Gentle. To watch her entertain friends and family she projected the Image of An Affectionate Arrangement of Roses complimented with her Warm Hearted Conversation. To observe an encounter with Mary Elizabeth Dunston engaged with her children Frederick Caballo, Sherna Collins, her grandchildren Shereese, Christopher and Sophia as well as her great-grandchildren one would witness her Loving and Protective personality. When my Mother and Grandmother passed away from this life she encouraged me to complete my studies. She has encouraged my son Christopher Drew Kimbrow, her grandson for the past eight years of his life and has treated him with an over abundance of LOVE and SECURITY. As in the past I still “thank you” Ms. Dunston. She has EMBEDDED her SPIRIT into the Heart and Soul of every person ever blessed to meet her; from minimal to high levels of Humanity, Mary Elizabeth Dunston has fulfilled her Earthly Assignment. Treat people well in the proper accordance and means you desire to be treated as you go through life’s journey and you too will enjoy the celebrations of Eternal Life. Christopher my Son, continue to do well and remember the pathway your Grandmother laid before you. When you pray, remember her love for you and be strong throughout your days. Shereese and Sophia you are both strong and intelligent, the foundation was laid by Mrs. Dunston for you through your respective parent. Each struggle you overcome renders to you an ACCOMPLISHMENT and each ACCOMPLISHMENT gives you a key to unlock TREASURES you have within. Be ever so mindful of your STRENGTHS and God will bless you and keep you. Freddie and Sherna as your Mother birthed you into life; you’ve assisted her in her death. My Love and Blessings, Reverend Charles Kimbrow, Jr. (Tony)###imported-begin###Rev. Charles Kimbrow, Jr.###imported-end###

“ Your loved one, who I called Ms. Mary, was my neighbor. She was always a pleasant and industrious person. Each time my family and I would be ready to assist with yard work, she would have already finished!! Our condolences go out to each family member, along with a couple of scriptural thoughts that helped me when I lost my mother unexpectedly and too soon. It's comforting to know that the Almighty will not allow us to suffer forever. The Bible says at Revelation 21:4, that there will come a time when we will not experience death, sickness, sorrow or pain. In fact, Psalms 37:29 tells us that the righteous will live forever upon the earth. As for those who have died, Paul encourages us at Acts 24:15 when he speaks of a resurrection back to life. Again, I wish to express our condolences to all of the family.##imported-begin##Christine Bivens##imported-end##
