“ I offer my sincere and heartfelt condolences to the family of Mary. The death of a loved one is truly the most devastating thing that could happen to any family. I know, because my family has lost many loved ones. God has established a wonderful purpose to end all sickness and death forever. This was his purpose from the beginning when he created the first human couple, and even though their rebellion caused his purpose to be put aside for a little while, nevertheless his purpose to have a world full of perfect happy people still remains the same. At Mathew 6:10 Jesus taught us the Lord's prayer, and where it says "Thy kingdom come, thy will be done, on earth just as it is in heaven is Jehovah's purpose for the earth. When his will is done; there will be no more sickness, no more violence, no more pain, and no more dying. Rev 21,4 says about this: "And he will wipe out every tear from their eyes and death will be no more, neither will mourning nor outcry nor pain be anymore. "The former things have passed away." As for the dead they too will share in these blessings, because Jehovah God has given all authority to his son Jesus to resurrect the dead. John 5: 26-29. Please believe these promises, because Jehovah God has never failed to fulfill his word. May you be comforted, and receive much encouragement from the holy scriptures.##imported-begin##R Johnson##imported-end##

“ Please accept my deepest sympathy for your loss, for I too know the pain of losing someone you love. I thought that this scriptural thought from God's word the Bible would bring you as much comfort as it has me. At John chapter 5, verses 28,29 Jesus himself said that all those in the memorial tombs would, "hear his voice and come out." Yes, Christ himself promises that we can see our loved ones again by means of the resurrection. I believe him and I am sure that you do too! Again, please accept my deepest sympathy and feel free to contact me at the above address.##imported-begin##Kevin Jackson##imported-end##
