“ To the Family: I wanted to send my deepest and sincere condolences during this unfortunate time in your lives, but I also wanted to share with your family a comforting promise that God gives in his Word the Bible about the hope of us seeing our dead loved ones again, it's found at John 5:28,29 which in part reads:"Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life,". Your family will be in my prayers, my sincere condolences. V

“ I wish to express deepest sympathy to the family of Ms. Hale. I recently loss somone in death and understand how challenging this can be for the family. I was personally able to find comfort in God's inspired word the bible. "If an able-bodied man dies can he live again? All the days of my compulsory service I shall wait, Until my relief comes. You will call, and I myself shall answer you. For the work of your hands you will have a yearning." Job 14:14,15. May these words give you peace.
