“*Mary Henderson, was a very special co-worker, (1990-1997). At Imperial plaza then changing the name over to Manor Care. We worked on the same unit and same shift for 5 of those years at the time I was very young just starting to work. I first felt that Mary was hard on me and felt as if I wasn't a good co-worker, but with time I learned that she was really so kind and helpful, that was her way of showing you “the ropes” . We later found out we knew some of the same people that lived in Montpelier, Va. Mary has never left my heart or mind. She will be remembered as a kind, thoughtful, genuine, strong, straightforward and caring co-worker. She has trained over 100 CNA's I know!! If you were any part of Manor Care during her 20 years of service you knew the name “Mary Henderson”*

I am grieving along with you in your loss. She was an inspiration to us all, and the memory of her courage, kind words, and constant compassion will always be treasured among those who knew her.

*With my deepest condolences,
Michelle A. Green*
