“ *Cousin Mary*

Words cannot express the light you brought to my life. From the time Ted told me of your impending wedding to the times I spent enjoying your company and your meals. You gave Ted the love and joy that I had never seen in him ever. You loved and enjoyed life and the special love you felt for Bella Louise. I know you are now at piece and with your special fella and all you have lived and missed. I love you and will miss you deeply, but I cherish the time we shared together.

“ *Aunt Mary Jane, it is hard to come into terms with the fact that we will never hear from you again. You will be greatly missed. You fought a good fight and won the race. You left a mark in our hearts, and nothing will ever erase. It is indelible in our hearts. You were a gem and will remain to be cherished. Surely aunt Mary Jane, our love for you will forever remain.*

“ *Aunt Mary you will be sorely missed. I thank God for sharing her with us. When you think that you will have more time to spend with you and it is not the case. God had called you and when you left it is the most painful thing to me. I will forever hold the memories of Mrs. MJ. Always loved to hear your voice. If anyone have anything to say tell them to ask me. You meant that. I understand that you have to go when the Lord called you home to live in your mansion prepared by Him. I know you are cooking up there. Walking around and playing among the stars. Rest our young lady that brought joy into our lives. Love you always.*
