“ *I would lo extend my warmest condolences to you. Death is so hard for families to cope with and my heart goes out to you in your sorrow. I too have lost loved ones and it is so painful. What helps me to cope is knowing from the Bible that the dead will one day rise again in the resurrection. Jesus brought many people back to life; including his good friend, Lzarus. It hurt him so much when he saw how hurt Lazarus's sisters were, that the Bible says that Jesus gave way to tears. He told them: I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life. May you find comfort and strength in knowing that your loved one will come to life again, and may your cherished memories help you to cope in the days ahead.*
