“ *Please accept my condolences for the loss of your loved one. First Corinthians 15:26 reveals death to be our enemy and Almighty God will one day destroy death. There is much hope for our dead loved ones. Isaiah 26:19 declares- "Your dead ones will live...they will rise up." May you receive much comfort and strength from friends, family and the many promises from the Bible.##imported-begin##Sharon Hill##imported-end##*

“ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##

“ Dear family, please accept my heartfelt sympathy on the passing of your loved one. Death is such a heartbreaking situation that we can never get used to. We wonder why this had to happen to our family. Almighty God is well aware of the deep grief we experience, and because he loves us so much he has a purpose to end this painful legacy of sickness and death permanently. Isaiah 25:8 lets us know that he will swallow up death forever, and certainly wipe the tears from all faces. After which Acts 24:15 says, "And I have hope towards God that there is going to be a resurrection." So one day we can be reunited with our loved ones again if we faithfully trust in our heavenly father, and strive to do his will. The gift God gives is everlasting life by Christ Jesus our Lord. May his promises strengthen you, and help you to cope with your loss.##imported-begin##R Johnson##imported-end##

“ I would like to send my condolences to you all in your lost of Ms. Mary, who was 74 years young. When we lose some one in death it breaks the circle of life for us. During the many years Ms. Mary lived , she enjoyed life to the full with her family & friends. We know that the time is coming when no one will ever die again as the bible say at Isa.25:8, death will be swallow up forever, great news to know. I hope these few thoughts will be uplifting to read. Sincerely, Lillian Crosby.##imported-begin##Lillian Crosby##imported-end##

“ I am sorry to learn about the death of Mary. I'm sure that this must have been a difficult time for all of you. I am forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrew 9:27 says..It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##
