

Mary L. Patterson

July 22, 1929 - March 2, 2008

On July 22, 1929 Alice Murray gave birth to a little angel named MARY, in Baltimore, Maryland. Mary was one of four children. Two sisters, Irene and Pauline; one brother Bernard, who preceded her in death. Mary was raised and educated in Baltimore City. Through her love for children, she decided to pursue a career in education with the Baltimore City Public School System. She worked at the Thomas G. Hayes Elementary School until her retirement. She joined the First Charity Baptist Church and immediately began to work on the Usher Board. She was faithful to her position as a doorkeeper and executed it with her signature smile. Along with her love for children and arts and crafts, her family was dear to her heart. She loved sending cards for any and all occasions to her family and was known as the historian of the family. She knew everything about everybody. Believe it or not, Mary was a competitive dancer. Yes, Mary won many trophies for execution of many difficult dance steps, and her favorite was the cha-cha. On March 2, 2008 she was called from Labor to Reward. She leaves to cherish her memory: two daughters, Alezia Patterson of Richmond, California and Donna Patterson of Baltimore, Maryland; two sisters, Irene Hall and Pauline McMeckin of Baltimore, Maryland; six nieces and four nephews, many other relatives and friends.

“ *Please accept my sincere condolences. I know a couple of months have passed since your loved one dies, but losing a loved one is something we never get over. the pain may ease a bit over time, but we never forget our loved ones, and we miss them so much. Whenever you are having a sad moment please reflect on these comforting scriptures; Psalm 68:20, Isaiah 25,8, Rev 21:3-5, and John 5:28,29. Also please keep in mind that the bible promises that there will be a ressurection of the righteous; Acts 24:15. May the bible promises from Jehovah continue to strengthen you, and help you to cope with your loss.##imported-begin##R Johnson##imported-end##*
