“ *In Sympathy and prayer; A Rose once grew where all could see, sheltered beside a garden wall. And as the days passed swiftly by, It spread its branches straight and tall. One day a beam of light shone through a crevice that had opened wide, The Rose bent gently toward its warmth , then passed beyond to the other side.. Now you who deeply feels its loss, be comforted, the Rose blooms there, Its beauty even greater now, nurtured by God,s own loving care. Expressing heartfelt sympathy in the loss that you must bear, And praying that there is comfort in the thought that others care.. May God be with you in this difficult time Aunt Ruby J.
