

## Mary E Lowery

November 26, 1936 - May 24, 2024

Mary E. Lowery was born on November 26, 1937, in Meherrin, Virginia to Waverly and Grace Scott. Mary, beloved mother, grandmother, great grandmother, passed away peacefully on May 24, 2024. Mary affectionately known as Momma moved to Baltimore, Maryland at the age of two, where she spent the rest of her formative years.

Mary attended Paul Laurence Dunbar High School, which was the only school available to Blacks at the time. She thrived there, laying the foundation for a life marked by resilience, grace, and a deep commitment to her family and community.

Mary was first married to Thedford Lowery, with whom she shared three wonderful children: Sheila, Thedford, and Darryl. Her devotion to her children was evident in every aspect of her life, and she took immense pride in their accomplishments and the families they built.

Later, Mary found love again with William Henry. Together, they brought two more precious children into the world, Daisy and Dwight. Mary and William's love story was one of deep companionship and mutual respect, providing a strong foundation for their blended family.

Her professional journey included dedicated service at Carroll Park and

Joseph C. Briscoe, eventually retiring from Baltimore City Public Schools after a long and fulfilling career. She enjoyed 23 years of retirement, during which she embraced her love for travel and exploration.

As a cherished member of her beloved travel group, Las Primas, Mary experienced the wonders of the world. She touched the waters of the Nile River, stood atop the Eiffel Tower to marvel at Paris, and explored the rich cultures of Africa, among many other adventures. In addition to her travels with Las Primas, Mary was also a dedicated member of the Eastern Star, where she provided unwavering support to her father, who was a Mason.

Her home was always filled with aromas of delicious food and the sounds of joyous gatherings. She loved to cook and host parties with Fish Fry's on Fridays and memorable Sunday dinners being a cherished tradition. After the parties, she made sure that her kitchen was so spotless that you could eat off the floor.

Mary's life was a testament to resilience, love, and the joy of family. She will be remembered for her boundless love, her adventurous spirit, and her remarkable ability to bring people together. Her memory will continue to inspire all who knew her.
