

Mary T. Quinn

November 2, 1925 - April 27, 2003

Mary T. Quinn, daughter of the late Ralph and Laura Taylor, was born on November 2, 1925 in Baltimore, Maryland. She departed this life on April 27, 2003 after a lengthy illness. She completed her education at Douglass High School in Baltimore and went on to study at Morgan State University. Upon completion of her education, Mary loaned her talents to the Baltimore City Public School System as a substitute teacher for several years. Mary then started her lifelong career at the Social Security Administration, where she was employed thirty years before she fell to a long illness. She was a lifelong member of Heritage United Church of Christ. She married the late William E. Quinn and out of this union one child was born, Pamela. Mary made friends wherever she went. As she traveled the world in health and during her illness, she was always brought happiness to those she met. She leaves to mourn: her daughter, Pamela Smoot; son-in-law, Charles Smoot; granddaughter, Vondria Smoot; grandsons, Carl and Brian Smoot; niece, Joan Rhodes-El and children; a host of other relatives and friends. What would we give her hand to clasp? Her patient face to see, To hear her voice, to see her smile, As in the days that used to be; But some sweet day we'll meet again, Beyond the toil and strife, And clasp each other's hand once more In Heaven, that happy life. Lovingly submitted, The Family

“ *To The Family Of Mary T. Quinn: Please accept my deepest sympathy. Death is such an enemy of life, and although it is painful, we all have to face it. Here is a passage that I hope brings comfort to the family found at Acts 24:15, which states: "And have hope towards God, which they themselves also allow, that there shall be a resurrection of the dead, both of the just and the unjust." This is a very comforting passage that I find very comforting, because I know soon I will see my loved one again. I hope this passage bring solace to your family. With sympathy.##imported-begin##Von Holley##imported-end##*
