“ Sending heart felt condolences and memories to Miss Mae's family. I worked with her at Hayes E. Willis and I called them the good old days. From us taking care of our patients working with our colleagues (family members) and if anyone knows Miss Mae enjoying great food together. She was a good person and always looked out for others. I pray that you all will remember the great times you had with her because I know I surely will. Sending blessings love and hugs to you all 🌸
Rest In Peace Dear Miss Mae 🌹
