“*Mrs. Felton was my principal at Glenmount. When the school system wanted to switch to a different reading curriculum, she stood her ground and kept Open Court at Glenmount. I loved those readers, so i was grateful to learn that and grateful that she had the courage to do what was best for her students. I was sorry to see only a brief obituary in the Sun. I would have loved to have learned more about this lady who had an impact on my young life!*
