“ Aunt Marty has been in my life since I was born. She grew up with th my mom. They met as tweenagers. Her cousin married my mom’s uncle. Here sister married my father’s cousin. Either way she was going to be in my family. She was there supporting me in 2009 when my; step-mother, Great Aunt and mother all died within 50 days of each other. A few years later, she took the bus to spend the day with my Crystal when no one else from the family could be there with her. She called me everyday when I was in stroke rehabilitation and for months after my husband died. She has been another mother to myself and my siblings. Say hello to all the family that has gone before. You will be greatly missed Marzetta S. Dean Hopkins, Rest In Peace.
